

CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business · Houston, Texas

COMPANY OVERVIEW

Platinum Environmental Solutions, LLC is a Houston-area Service-Disabled Veteran-Owned Small Business (SDVOSB) and environmental services firm with over 15 years of experience in asbestos, mold, and lead. The firm delivers across the full project lifecycle, from consulting and testing through abatement, remediation, monitoring, demolition, construction, and restoration, and specializes in rapid response to hurricanes, floods, and other disasters. Analytical work runs through an accredited commercial laboratory with 24-hour turnaround on certified results.

CORE COMPETENCIES

- **Asbestos:** surveys, inspection, sampling, and abatement (pre-renovation / pre-demolition)
- **Mold:** assessment, inspection, clearance, and remediation
- **Lead-based paint:** surveys and risk assessment
- **Environmental consulting:** testing, monitoring, and protocol development
- **Demolition & construction:** abatement-driven demolition and rebuild
- **Disaster response:** rapid-response water damage and remediation

DIFFERENTIATORS

- **SBA 8(a) certified through 2033.** Eligible for sole-source and set-aside federal awards (program 2024 to 2033).
- **SDVOSB and Texas VetHUB certified.** Service-disabled veteran-owned small business.
- **Bonded.** Pre-approved for performance and payment bonds through a surety partner; capacity confirmed per solicitation.
- **Single-source project delivery.** One point of contact from assessment through restoration.

PAST PERFORMANCE

- Baker Hughes** **\$200,000**
Water-damage assessment, testing, and reporting, plus mold remediation and mitigation for two 9,000 SF buildings.
- Pacific Sundance** **\$150,000**
Mold remediation across 40 bathrooms. Ceiling and 2 ft of adjacent wall removed, containment under negative air pressure.
- Stantec** **\$149,000**
Asbestos consulting, testing, and abatement for 15,000 SF of VCT floor tile.
